If you like a challenge, enjoy working in a team and have the skills to work with a range of organisations to achieve our vision of making sport and physical activity part of everybody's everyday life this could be for you.

Energize Shropshire, Telford & Wrekin is looking for someone with the communication skills, knowledge and passion to build and prove the case for increased investment into sport and physical activity.

As part of a small team working in partnership with local authorities, sports' governing bodies and community organisations, the **Business Development Manager** will ensure that the partnership effectively manages knowledge and information in order to clearly evidence needs and support priority projects. As well as researching and advising on external funding opportunities and providing a lead in terms of the partnership achieving the Equality Standard, you will be supporting the delivery of National Governing Body of Sport plans by linking them to local networks.

If you are passionate about the power of sport and physical activity, highly motivated, with excellent leadership, management and interpersonal skills and significant relevant experience, we want to hear from you.

Interviews will take place on Tues 8th Sept. *For an informal discussion, please call Chris Child, on 01743 255073.*

Shropshire Council is the host agency and employs staff on behalf of the Partnership.

We wish to recognize and celebrate the cultural diversity in our community and so would welcome applications from all members of the community.
